

THE AADI TIMES

A Blessed Beginning

Snatra Pooja on the First Day of School

Every new beginning is best started with gratitude and blessings.

On **4th June**, the academic year commenced on an auspicious note with a Snatra Pooja conducted on the first day of school.

The ceremony marked a positive and spiritual start to the year, invoking blessings for the well-being, growth, and success of our students, staff, and school community.

We were blessed by the gracious presence and inspiring guidance of **Tharthik shiromani Shramani Gananayak Parampujya Acharyadev shrimad vijay Abhayshekarsuri marasaab's** disciple **Param Pujya Sadhviji Yashonidhi Marasaab**, whose words of wisdom added great significance. Our heartfelt gratitude to the **Chamrajpet Balika Mandal** for beautifully conducting the Snatra Pooja. The peaceful ceremony created a positive atmosphere and beautifully marked the beginning of a new learning journey for the entire Aadi family.

WORLD ENVIRONMENT DAY

On 5th June, Aadi Academy celebrated World Environment Day through an awareness rally and plantation activity, inspiring students to become responsible towards the environment.

Carrying thoughtfully prepared placards, students spread messages on protecting the environment and reducing pollution. The celebrations also included seed sowing and **sapling plantation** activities, encouraging children to develop a sense of responsibility towards nature.

Through these meaningful experiences, students learned that every small action contributes to a greener and more sustainable future, reinforcing the importance of caring for our planet.

“GLOBAL CALL FOR CLIMATE CHANGE”

INTERNATIONAL YOGA DAY

Breathe in. Stretch out. Feel good.

Yoga is more than just exercise—it's a way to build strength, focus, balance, and inner calm. Introducing children to yoga at an early age encourages healthy habits and supports their overall well-being, both physically and emotionally.

On 19th June, Aadi Academy celebrated **International Yoga Day** under the theme **"Yoga for Healthy Ageing."** Students and teachers enthusiastically participated in a guided yoga session conducted by the inspiring **Mr. Deepak Srinivas**.

The session began with the chanting of 'Om', creating a peaceful and positive atmosphere that encouraged mindfulness and concentration. Together, they practised various asanas and breathing techniques that promoted flexibility, wellness, and inner balance.

The celebration inspired our school community to embrace a healthier lifestyle and reminded us all that small daily habits can lead to **lifelong well-being**.

"YOGA IS THE JOURNEY OF THE SELF, THROUGH THE SELF, TO THE SELF."

WHATS NEW AT AADI

New Spaces, New Possibilities

Kalpavruksh

Aadi Academy proudly welcomes the Kalpavruksh at its entrance—known as the wish-fulfilling tree, symbolizing abundance, prosperity, harmony, and the fulfillment of aspirations. More than an installation, it reflects our commitment to **nurturing young minds**, inspiring growth, and creating a space where every child can flourish. As students, parents, and visitors pass beneath its presence, may it inspire a **sense of accomplishment**, aspiration, and the belief that every dream can take root and grow.

Sandpit

As part of its commitment to creating enriching learning environments, Aadi Academy has introduced a dedicated Sandpit for its young learners. Designed to support **experiential and play-based learning**, this engaging space encourages children to explore, create, and discover through hands-on activities.

The sandpit promotes sensory exploration, imaginative play, and teamwork, helping children develop creativity, fine motor skills, problem-solving abilities, and social confidence. Through play, students learn, collaborate, and grow in a fun and meaningful way.

Taekwondo

Taekwondo classes for Primary students commenced in the second week of June at Aadi Academy as part of the school's holistic development program. **Taekwondo is a Korean martial art that combines self-defence techniques with discipline, focus, and physical fitness.** Through regular training, students develop confidence, coordination, perseverance, and essential self-defence skills, contributing to their overall growth and well-being. The sessions will be conducted by **Mr. Naveen Chandra** and his team, who bring expertise and guidance to this exciting program.

Kala

Dance classes commenced in the **second week of June**, offering students an exciting blend of classical and contemporary learning. Girls are being introduced to the **fundamentals of Bharatanatyam**, including shlokas, hastas, adavus, and basic theory, helping them develop grace, discipline, and an appreciation for Indian culture.

Vedic Math

Aadi Academy is pleased to introduce Vedic Mathematics as part of its learning program. This innovative approach helps students improve their calculation speed, accuracy, and problem-solving skills while **making mathematics fun and engaging**. We look forward to helping our students build confidence and develop a **stronger foundation in mathematics** through this exciting initiative.

Keyboard

Keyboard classes will commence in **July**, As an **ideal beginner's instrument**, the keyboard provides a strong foundation in music and melody. Following an exciting demo session, students will begin learning basic notes, rhythm, and keyboard techniques while developing creativity, confidence, and a love for music.

Jump Bunch

Aadi Academy is delighted to introduce JumpBunch, a **playful sports and fitness program designed for young children**. Through exciting games and activities, students develop coordination, balance, confidence, and teamwork while enjoying active learning in a fun-filled environment. The sessions will be conducted by **Mr. Manoj** who bring expertise and guidance to this exciting program.

Sports Programme

This academic year, students at Aadi Academy will participate in **Football and Cricket** providing them with opportunities to enhance their athletic skills, teamwork, perseverance, and overall physical well-being in a fun and engaging environment.

Academic Calender

Aadi Academy has introduced its Academic Calendar for the year, providing parents, students, and staff with a clear overview of important events, celebrations, holidays, workshops, and school activities. This initiative aims to strengthen communication and support effective planning throughout the academic year.

New Website Launch

Aadi Academy is delighted to announce the launch of its new website, www.aadiacademy.in. Designed to provide parents, students, and visitors with easy access to school information, updates, events, and announcements, the website serves as a digital gateway to the vibrant life of our school. With a user-friendly interface and enhanced features, it strengthens communication and keeps the Aadi community connected at all times.

July Mania

1st July – Doctor's Day Celebration

Students will celebrate and appreciate the dedication and service of healthcare professionals.

18th July – Parent Teacher Meeting

Providing parents and teachers with an opportunity to discuss each child's academic progress, overall development, and well-being.

21st & 23rd July – Going Out Programme

Students will enjoy a fun-filled outing, creating joyful memories with their peers outside the school environment.

27th July – Kargil Diwas Celebration

A special assembly will honour the courage and sacrifice of India's brave soldiers.

28th July – Holiday (Chaumasi Chaudas)

The school will remain closed on account of Chaumasi Chaudas.

29th July – Guru Purnima Celebration

Students will express gratitude and respect for their teachers and mentors through **special activities**.

We look forward to an exciting month filled with learning, celebration, and community engagement.
