

THE AADI TIMES

Eat Healthy, Grow Happy!

Nutrition Week

Celebrated Nutritional Week with great enthusiasm and active participation from our young learners, teachers, and parents from 1st september to 7th of september. The week-long programme was designed to create awareness among children about the importance of healthy eating and encourage them to make nutritious food choices from an early age.

Throughout the week, children explored different nutritious food groups, including fruits, vegetables, dry fruits, and millets. They were encouraged to bring the respective food items along with their regular snacks on designated days, giving them an opportunity to observe, identify, and learn about a variety of wholesome foods.

EYP 2 – Young Speakers on Healthy Food

A special highlight of the week was the enthusiastic participation of our EYP 2 students. The children confidently spoke about fruits, vegetables, dry fruits, and millets, sharing simple and age-appropriate information about their nutritional value and importance.

The presentations provided a wonderful platform for children to develop their confidence, vocabulary, communication, and public-speaking skills. Their peers also enjoyed listening and learning from their presentations.

IPRIMARY 1 – Healthy Lunch Box Activity

Students participated in a Healthy Lunch Box Activity, bringing nutritious lunch boxes prepared at home. They proudly presented their food items and spoke about their nutritional value and health benefits.

The activity encouraged children to make healthy food choices while developing their confidence, communication, and creativity.

🏆 Healthy Lunch Box Winners

🥇 **First Place: Kaira Jain – Grade 1A**

🥈 **Second Place: Yashvi Jain & Virthi Jain – Grade 1B**

Teachers day celebration

A Celebration of Gratitude

4th September was a special day at Aadi Academy as our students came together to celebrate the teachers who guide, encourage, and inspire them every day. The celebration was filled with heartfelt gestures, cheerful performances, greeting cards, songs, and thoughtful messages from our young learners.

Each child expressed gratitude in their own special way, making the day a memorable one for our teachers. From a simple “Thank You” to a heartfelt performance, every gesture reflected the love and appreciation our students have for those who help them learn and grow.

“A teacher plants the seeds of knowledge, nurtures them with love, and inspires them to bloom.”

A heartfelt thank you to all our parents and students for their thoughtful support and sweet gestures that made this Teachers’ Day truly special.

Teachers day celebration

Teachers' Day at Aadi Academy was celebrated on 5th September with great enthusiasm and warmth as a special tribute to our wonderful teachers. The Management organised a fun-filled celebration, conducted by Mr. Deepak Srinivas and his team, to appreciate the dedication, commitment and countless efforts of our teaching team.

The celebration took the form of a lively mini Sports Day exclusively for the teachers, with a variety of fun games and engaging activities. The teachers stepped away from their usual classroom roles and enthusiastically participated in the events, showcasing their team spirit, energy and sporting enthusiasm.

The celebration was a heartfelt expression of gratitude to our teachers for the patience, care, guidance and dedication they bring to school every day. It was truly a day to celebrate the people who play an important role in nurturing young minds and shaping the future of our students.

“Celebrating our teachers—the guiding lights who inspire us, nurture our dreams, and make every learning journey meaningful.”

PARYUSHAN

A festival of forgiveness and self awareness

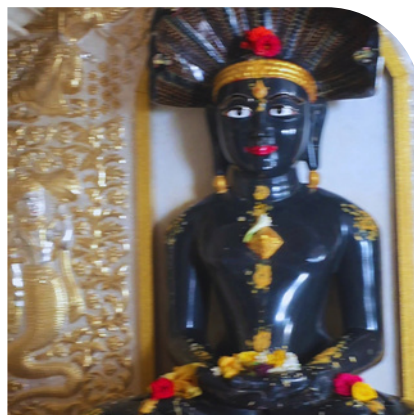

Paryushan, a sacred Jain festival, is a time for forgiveness, reflection, self-awareness, and spiritual growth. Aadi Academy observed the spirit of Paryushan through meaningful activities that encouraged our young learners to understand and practise these values in their daily lives.

To welcome the auspicious occasion, the IP3 girls presented a beautiful dance performance, adding grace and devotion to the celebration. Students from EYP 2 to I Primary 3 also received Paryushan cards, encouraging them to reflect on their actions, express gratitude, and embrace the spirit of forgiveness.

The school remained closed from 8th to 16th September in observance of the Paryushan period.

"Paryushan reminds us that true growth begins with reflection, forgiveness, and a kinder heart."

CHAITYA PARI PATI

Paryushan Parv celebration continues , our young learners embarked on a meaningful Chaitya Paripati on 18th September, a beautiful Kartavya that encourages children to connect with Jain values, spirituality, and the importance of visiting places of worship. The journey began from school as students visited Shri Nakoda Parshwanath Ji Mandir, Vimalnath Ji Mandir, and Sambhavnath Ji Mandir. Carrying sweets and fruits as offerings, the children participated with enthusiasm and devotion. During the visit, they had the opportunity to seek the blessings of the Sadhu Bhagwants and Sadhviji Bhagwants, listen to their guidance, and learn valuable lessons on kindness, discipline, compassion, humility, and living by good values.

The Chaitya Paripati was more than a temple visit—it was a meaningful journey of faith, learning, and values. Through prayers, temple visits, and interactions with Sadhu Bhagwants and Sadhviji Bhagwants, our children experienced the timeless teachings of Jainism in a way that was both simple and meaningful , helping them understand that Jain values are not merely lessons to be learned, but principles to be lived through our thoughts, words, and actions.

**त्रिशला नंदन वीर की - जय बोलो महावीर की!
जैनम जयती शासनम्!**

HINDI DIWAS

On 21st September, Aadi Academy celebrated **National Hindi Diwas** with the theme “**Hindi: From Traditional Knowledge to Artificial Intelligence**” (हिंदी: पारंपरिक ज्ञान से कृत्रिम बुद्धिमत्ता तक).

The celebration beautifully connected the richness of Hindi with the possibilities of modern technology through a special **AI-based Hindi Competition** for our young learners.

Our Nursery students participated in an engaging **AI Picture Talk activity**, where they explored pictures and expressed their thoughts in Hindi. EYP 1 students showcased their confidence through **AI-generated poem recitation**, while EYP 2 students brought creativity and imagination to life through **AI-generated storytelling**.

Hindi Diwas Competition Winners

Nursery: 🏆 Dhvani 🥈 Aagam 🥉 Divyaank

EYP 1 – A: 🏆 Praansh Jain 🥈 Kiara Rakshit Jain 🥉 Jinang Bohra

EYP 1 – B: 🏆 Veer Jinesh Shah 🥈 Gunan Jain 🥉 Tarun Jain

EYP 1 – C: 🏆 Prayush 🥈 Taksh 🥉 Ansh Jain

EYP 2 – A: 🏆 Heet Jain 🥈 Vihaan Jain 🥉 Dhvaj Mutha

EYP 2 – B: 🏆 Toshvi Jain 🥈 Chehek Jain 🥉 Bhav Jain

“HINDI IS NOT JUST A LANGUAGE WE SPEAK; IT IS A BEAUTIFUL BRIDGE BETWEEN OUR ROOTS, OUR KNOWLEDGE, AND OUR FUTURE.”

Continuing the celebration of Hindi Diwas and the theme “Hindi: From Traditional Knowledge to Artificial Intelligence” (हिंदी: पारंपरिक ज्ञान से कृत्रिम बुद्धिमत्ता तक), our I Primary students participated in a special Hindi competition on 28th September. The event was graced by Ms. Jyanti, our Chief Guest and Judge, a passionate Hindi teacher with over three decades of teaching experience. Her presence and valuable insights encouraged our students and added special significance to the occasion.

Competition Winners

Grade 1: 🥇 Aahaana (A) 🥈 Hitvi (B) 🥉 Dhvani (B)

Grade 2: 🥇 Vihan A 🥈 Prarthi 🥉 Veeransh

Grade 3: 🥇 Viyanshi & Shuddhi 🥈 Samarth & Leesha 🥉 Divyansh S. & Hitansh

“Hindi connects our roots to our future, carrying the wisdom of yesterday into the possibilities of tomorrow.”

“परंपरा से प्रगति तक, हिंदी से विश्व तक!”

HIGHLIGHTS OF THE MONTH

AADI ACADEMY × PEARSON EDEXCEL

Pearson

98860

A NEW MILESTONE IN THE AADI ACADEMY JOURNEY

Aadi Academy is now affiliated with Pearson Edexcel Centre number (98860)

We are proud to announce our association with Pearson Edexcel, bringing the International GCSE (IGCSE) pathway to Aadi Academy.

This milestone marks an important step in our journey towards offering our students globally recognised academic pathways, wider learning opportunities and a future-ready education.

A New Addition to Our Classrooms

As part of our ongoing efforts to enhance the learning environment, new benches have been installed in our I Primary classrooms. The upgraded classroom furniture provides our students with a more comfortable, organised and conducive space for learning.

Special Announcement

Winning Teams – Cooking Without Fire

A big round of applause to our young chefs who impressed the judges with their creativity, teamwork, presentation, and enthusiasm!

Grade 3: Samarth, Mehek, Yuti, Hiyaan & Namyan
Congratulations to all our winning team!

Scholar minds

Aadi Academy introduced Scholar Minds, an enriching learning programme focused on Mathematics and Science. Through concept-based learning, activities and hands-on exploration, students are encouraged to understand subjects beyond textbooks.

The programme nurtures logical thinking, problem-solving skills and scientific curiosity.

With engaging learning experiences, students are guided to apply concepts to real-life situations.

Class representative meeting

Our Parent Representatives for the academic year are:

Nursery – Aagam – Priyanka Jain;

EYP 1 A & B – Kiara – Rakshit Jain;

EYP 1 C – Avadhi – Bhavesh Sanghvi;

EYP 2 A & B – Chehek – Sanjay Kumar;

IP 1B – Dhwani – Mayur Kumar;

IP 1A – Aahana – Naresh Jain;

IP 2 – Mishitha – Netra Jain;

IP 3 – Divyansh S – Sandeep Jain.

A Parent Representative Meeting was held on 26th September to discuss important school updates and parent feedback. The meeting included updates on school infrastructure, admissions and the upcoming Sports Day.

Parent representatives shared their valuable suggestions, feedback and inputs during the open discussion.

Exposure to project work and blueprint

Our students are gaining hands-on exposure to project-based learning and understanding blueprints, helping them develop creativity, planning skills, critical thinking and an understanding of how ideas are transformed into real-world projects. Students were introduced to question paper blueprints, helping them understand the different types of questions, marks distribution and concepts covered in an assessment.

Class Photo Shoot

On 28th October, each class participated in a special photo shoot, capturing memorable moments of our school journey.

OCTOBER MANIA

First Term Examinations | 1st–8th October | IP Primary

First Term Assessment | 5th–8th October | Pre-Primary

Parent–Teacher Meeting | 9th October

Dussehra Vacation | 10th–20th October

School Reopens | 21st October

Visit to the Gaushala | October End

**We look forward to an exciting month filled with learning,
celebration, and community engagement.**
